CITY MUNICIPAL COUNCIL
MYSORE

97/493
27th Aug 1941

Dear Sir,

Adverting to your office D O letter No L 1292-93 dated 11th August 1941 calling for a statement of officials and Officers employed in this Municipality and the period of their stay, I am enclosing the same herewith

SECY LAW DEPT 1 SEP 1941 GOVT OF MYSORE

In the enclosed list the period of stay has been marked in the remarks column (in years) in red ink, against such of the officials as are staying in the Municipality for three years and more The officials against whom no mention is made, have put in less than three years' service in the Municipality

I am sending separately a list of executive subordinates working in the Engineering and Health sections

In this connection, I am also enclosing a copy of an interpellation put up at the meeting of the Municipal Council held on the 26th July 1941 and my reply thereto I fully agree with the Council that it is necessary that at least a good number of these people who have been here from long must be transferred But in view of the fact that they can only be sent to the Revenue Department where a pass in the Revenue lower is a necessary qualification for confirmation, it has been found very difficult to effect the necessary transfers I would therefore respectfully suggest that if possible they might be transferred to other departments also where such a minimum qualification is not insisted upon

Yours sincerely,
B S Raghavendra Rao

H V Narayana Rao, Esq ,B A ,LL B ,
Secretary to Government, Law Department,

MYSORE CITY MUNICIPALITY

34 Interpellations sent by Mr E P Nanjappa, Municipal Councillor dated 16th July 1941

Will the President be pleased to answer the following

	Answers
1 What is the number of Municipal employees who have been in Municipal service for more than 3 years?	64
a) Has not the Municipal Council passed a resolution to the effect that the employees of the Municipality should invariably be transferred after 3 years service in the Municipality	There is a resolution passed in 1938 re transfer of officials who have put in more than 5 years service
b) Will the President be pleased to place on the table a statement of employees who have put in more than 3 years and who have not been transferred along with the reasons if any, as to why the resolution in question has not been given effect to ?	A list of the names of officials who have put in more than 3 years service in the Municipality is appended The initiative for the transfers is with the Revenue Commissioner who has been furnished with a list of officials who have put in above 3 years of service The difficulty in effecting these transfers lies in most of these officials not being qualified for transfer to the Revenue department
